DISCUSSION / Getting Started				
<ul style="list-style-type: none"> <li>• Melody explained the meeting objectives, expectations, and confidentiality after opening the meeting with introductions of attendees present.</li> </ul>				
ACTION ITEMS				
<ul style="list-style-type: none"> <li>• Invite Community Partners and Providers to the next meeting</li> </ul>				
DATA				
<ul style="list-style-type: none"> <li>• Melody presented information on the Community, hospitals, and nursing homes. There has been consistent downward trending for all with readmissions. Most are well below State average benchmarks for this period of time.</li> </ul>				
EDUCATION				
<ul style="list-style-type: none"> <li>• Victor Anderson, ICP with St. Francis Hospital presented very interesting information on CDI and Emerging infections. He outlined the history of different organisms, acceptable hand hygiene techniques, environmental cleaning, and other pertinent facts that would have impacts on all facets of health care settings and patient care.</li> <li>• Janet Brown, Elder Care Pharmacy, presented information on their Project working with narcotic prescriptions on discharge from the hospital and admission to the nursing home. She presented those present with a copy of the law that allows the hospital to act as the agent for the patient to get the prescription to the pharmacy earlier in an effort to avoid a readmission for pain control.</li> </ul>				
CLOSING / Assignment				
<ul style="list-style-type: none"> <li>• Continue efforts for readmission reduction.</li> </ul>
